

### 6.1.1

#### Vision of the College

To become a Centre of Excellence in Technical Education and Research in producing Competent and Ethical professionals to the society

#### Mission of the College

To impart Value and Need based curriculum to the students with enriched skill development in the field of Engineering, Technology, Management and Entrepreneurship and to nurture their character with social concern and to pursue their career in the areas of Research and Industry.

In order to achieve the above vision and mission, quality circles such as quality circle for Quality Education - Staff, Quality circle for Quality Education – Students, Quality circle for Career planning, Quality circle for Research and Development and Quality circle for Industrial Relations have been formed with conveners.

Each quality circle has a convener, faculty representatives from each department. Each convener reviews their plan of activities twice in a year along with IQAC convener in order to monitor the progress of the college in the right direction.

Three of the faculty members have been included in Governing council, the apex body of the college. They were involved in the decision making process. Two of the staff members were included in the finance committee of the college. They have participated in the finance committee meetings.
