

6.1.2

Decentralization:

In order to disseminate power, various academic support units have been formed such as Industry Institute Partnership cell (IIPC), Innovation Promotion Cell (IPC), Prevention of Sexual Harassment (POSH) cell, Continuing Education Cell (EDU), Entrepreneurship Development Cell (EDC), Career Development Cell etc have been formed with conveners and members from departments.

Each department is given academic freedom by empowering the head of the department and faculty members. Each cell has its own plan of activities for the academic year. Each cell organizes workshops, training programs for the benefit of staff and students. These cells convene review meetings with Principal and IQAC coordinator to review their objectives.

The curriculum development for each branch is executed in a decentralized manner. Each department has its own Board of Study (BOS) members and Anna University Representative. Each department has conducted two BOS meetings in a year. Each department conducts BOS meeting by inviting BOS members and AU representative either in an online / offline mode.

2. Participative Management: The activities pertaining to the Institute in respect of teaching, learning, Industrial Interactions, student's placement, research and development are reviewed by the management in a Management Review (MR) meeting which will be conducted once in a year.
