

INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)

- The Industry Institute Partnership Cell (IIPC) has been established under in grant aid Scheme of All India Council for Technical Education (AICTE), New Delhi during 2013.
- The objective of this Cell is to reduce the gap between Industry expectations and Academic offerings. The IIPC core team members monitor and review the activities periodically.

IIPC ACTIVITIES FOR ACADEMIC YEAR 2022-23

There are 31 industrial experts are invited to deliver their expertise as an expert talk on various engineering related topics for the benefits of students. 11 Industrial visits have been arranged to improve the industrial knowledge to the students. Internship opportunities have been grabbed by 60 final year students in this academic year. IIPC organized 36 competency development program and 3 personality development programs to improve the interpersonal skills of the students. Also 156 final year student got industrial training. Also 43 faculty members got trained in various industries to update their current trends. There are 11 technical festivals had been arranged to enhance the technical knowledge of staff and students. 55 students done their final year projects at various industries. One project has been done by the students through industry. Two project proposals submitted to funding agencies. IIPC signed 5 MOUs with industries. 120 consultancy work done with industry also 4 patent were registered. IIPC arranged to established 4 industries in our college. 3 awards received from industries.
