

7.1.11 Describe the efforts of the institution to celebrate organize national and international commemorative days

Annual Report of special day Celebrations

1. Each year, our college commemorates "Independence Day" on August 15th and "Republic Day" on January 26th, gathering all staff members and students on the college grounds. Our President, Shri Er. K.N.K. Karthik, raises the National Flag, and several students deliver patriotic speeches honoring our Freedom Fighters. Additionally, we organize a quiz for the students, with prizes awarded for both the speeches and quiz performance by our management team. The quiz consists of five questions pertaining to freedom fighters and the significant historical events in the struggle against British rule.
2. This year, our college's entrepreneurship cell, in collaboration with the Rotaract club, organized an Independence Day Awareness Program titled "Art of Dying" for our students. This initiative enhanced our students' understanding of the significance of Independence Day.
3. The "National Science Day" was held on March 15, 2024, organized by the Industry Institute Partnership Cell (IIPC) in collaboration with the Science and Humanities department. The event featured a range of technical activities and a scientific model competition titled "Technozare 24." This competition showcased various scientific models that presented innovative ideas for the design and fabrication of prototypes aimed at providing technical solutions to societal challenges. The most outstanding projects were recognized and awarded by our principal and the chief guest at the event.
4. The "Annual Day" of our college was celebrated on May 25, 2024. During this event, distinguished students were recognized for their outstanding performances by the esteemed guest, Dr. K.M. Suceendran, Head of Academics at the Alliance Group, Tata Consultancy Services, Chennai, who presented them with shields and medals. Additionally, long-serving staff members were acknowledged by both our management and the guest. Awards were also conferred upon departments that achieved the highest pass percentages, secured the most internships, and obtained the greatest number of NPTEL certificates.
5. The "Matlab Day" was commemorated by the Quality Education Quality Circle of our college on March 26, 2024. Faculty members from all departments participated and received hands-on training through case studies. Certificates were also awarded to all participants by the Quality Education Quality Circle.
6. The Women Empowerment Cell hosted "International Women's Day 2024" on March 6, 2024, featuring a range of engaging activities designed for female faculty members and female students.
7. The birthday of our Founder President, Shri K.L.N Krishna, was commemorated as "Founder's Day" on January 31, 2024. During this event, members of our management team and the principal acknowledged the accomplishments of our founder president and reflected on his dedication and efforts in establishing this college.
