

### Details of Design and Fabrication Projects for 2022 – 2023

| S.No | Project title  | In-House/<br>Industrial<br>Project | Members              | Guide                                      | Project<br>Classification | Factors<br>Considered            | Mapping with POs<br>and PSOs                                |
|------|--|------------------------------------|----------------------|--|---------------------------|----------------------------------|---|
| 1.   | Design and fabrication of two wheeler stand cum bumper                   | In - House                         | Sathyanaarayanan P   | Dr.M.R.THANSEKHar<br>Prof./ Mech.Engg      | Product                   | Standards Cost                   | PO1,PO2,PO3,PO4, PO5,PO6,PO9,PO1 0,PO11,PO12,PSO1 PSO2,PSO3 |
| 2.   |  |                                    | Sakthivel S          |  |                           |                                  |   |
| 3.   |  |                                    | Arun pandi V         |  |                           |                                  |   |
| 4.   | Design and fabrication of a convergent divergent nozzle                  | In - House                         | Balaji M S           | Dr.M.R.THANSEKHar<br>Prof./ Mech.Engg      | Application               | Cost                             | PO1,PO2,PO3,PO4, PO5,PO6,PO9,PO1 0,PO11,PO12,PSO1 PSO2,PSO3 |
| 5.   |  |                                    | Keerthivasan S       |  |                           |                                  |   |
| 6.   |  |                                    | Kishore Kannan K     |  |                           |                                  |   |
| 7.   | Design and fabrication of water pumping system using solar power         | In - House                         | Logith M             | Dr.P.SABARINATH<br>ASP/ Mech.Engg          | Product                   | Cost                             | PO1,PO2,PO3,PO4, PO5,PO6,PO9,PO1 0,PO11,PO12,PSO1 PSO2,PSO3 |
| 8.   |  |                                    | Manikandan D         |  |                           |                                  |   |
| 9.   |  |                                    | Esakkiraj L          |  |                           |                                  |   |
| 10.  | Design and fabrication of power generation using speed breaker mechanism | In - House                         | Sanjay R             | Dr.P.SABARINATH<br>ASP/ Mech.Engg          | Application               | Cost                             | PO1,PO2,PO3,PO4, PO5,PO6,PO9,PO1 0,PO11,PO12,PSO1 PSO2,PSO3 |
| 11.  |  |                                    | Sanjay P S           |  |                           |                                  |   |
| 12.  |  |                                    | Sivaprakash T P      |  |                           |                                  |   |
| 13.  | Design and fabrication of steering wheel with movable headlight          | In - House                         | Manoj Prabhakar G B  | Dr.D.SATHEESH<br>PANDIAN<br>ASP/ Mech.Engg | Application               | Cost,<br>Safety and<br>Standards | PO1,PO2,PO3,PO4, PO5,PO6,PO9,PO1 0,PO11,PO12,PSO1 PSO2,PSO3 |
| 14.  |  |                                    | Subash Aathavan B    |  |                           |                                  |   |
| 15.  |  |                                    | Joel jerry A         |  |                           |                                  |   |
| 16.  | Design and fabrication of solar panel tilting mechanism                  | In - House                         | Sarantheep Sachena S | Dr.D.SATHEESH<br>PANDIAN<br>ASP/ Mech.Engg | Application               | Cost and<br>Standards            | PO1,PO2,PO3,PO4, PO5, PO6,, PO9, PO10,PO12 PSO1, PSO2, PSO3 |
| 17.  |  |                                    | Santhosh N           |  |                           |                                  |   |
| 18.  |  |                                    | Dinesh Pandi P       |  |                           |                                  |   |

|     |  |            |                     |                                       |             |                 |   |
|-----|--|------------|---------------------|---------------------------------------|-------------|-----------------|---|
| 19. | Design and fabrication of pedal operating air compressor                           | In - House | Dharmavel T         | Dr.A. HEMALATHA<br>ASP/ Mech.Engg     | Application | Safety and cost | PO1,PO2,PO3,PO4,<br>PO5, PO6,PO7,<br>PO9,<br>PO10,PO11,PO12<br>PSO1, PSO2, PSO3 |
| 20. |  |            | Suresh Gopi K       |                                       |             |                 |   |
| 21. |  |            | Sudharsan G         |                                       |             |                 |   |
| 22. | Design and fabrication of Catalytic converter                                      | In - House | Kaleeswaran P       | Dr.A. HEMALATHA<br>ASP/ Mech.Engg     | Application | Cost            | PO1,PO2,PO3,PO4,<br>PO5, PO6,PO7,<br>PO9, PO11,PO12<br>PSO1, PSO2, PSO3         |
| 23. |  |            | Mukesh Selvam R M   |                                       |             |                 |   |
| 24. |  |            | Komalavaradhan R    |                                       |             |                 |   |
| 25. | Design and fabrication of low cost dumping mechanism                               | In - House | Divyesh J           | Dr.C. ANBUMEENAKSHI<br>ASP/ Mech.Engg | Product     | Cost            | PO1,PO2,PO3,PO4,<br>PO5,PO6,PO9,PO10,<br>PO11,PO12,PSO1,<br>PSO2,PSO3           |
| 26. |  |            | Pugazholi A         |                                       |             |                 |   |
| 27. |  |            | Manoj kumar A       |                                       |             |                 |   |
| 28. | Design and fabrication of overhead water tank cleaning machine                     | In - House | Nithesh Kumar S     | Dr.C. ANBUMEENAKSHI<br>ASP/ Mech.Engg | Application | Standards       | PO1,PO2,PO3,PO4,<br>PO5, PO6,, PO9,<br>PO10,PO12 PSO1,<br>PSO2, PSO3            |
| 29. |  |            | Arun Kumar M        |                                       |             |                 |   |
| 30. |  |            | Chandru A           |                                       |             |                 |   |
| 31. | Design and fabrication of drilling machine with gearless power transmission system | In - House | Althaf Khan Ghori M | Dr.D. MUTHUKRISHNAN<br>AP/ Mech.Engg  | Application | Standards       | PO1,PO2,PO3,PO4,<br>PO5, PO6,, PO9,<br>PO10,PO12 PSO1,<br>PSO2, PSO3            |
| 32. |  |            | Sivaprakash M S     |                                       |             |                 |   |
| 33. |  |            | Pandiyar C          |                                       |             |                 |   |
| 34. | Design and fabrication of electric car jack  | In - House | Harish S            | Dr.D. MUTHUKRISHNAN<br>AP/ Mech.Engg  | Product     | Cost            | PO1,PO2,PO3,PO4,<br>PO5, PO6,PO7,<br>PO9, PO11,PO12<br>PSO1, PSO2, PSO3         |
| 35. |  |            | Karikalan U         |                                       |             |                 |   |
| 36. |  |            | Sakthi kumar G      |                                       |             |                 |   |
| 37. | Design and fabrication of dusting using wiper mechanism                            | In - House | Bharathraj S        | Mr.E.V.GANESH BABU<br>AP/ Mech.Engg   | Application | Standards Cost  | PO1, PO2,PO3,<br>PO7, PO9, PSO1,<br>PSO3  |
| 38. |  |            | Vijay raj S         |                                       |             |                 |   |
| 39. |  |            | Raghul M P          |                                       |             |                 |   |
| 40. | Design and fabrication of  | In - House | Mohammed Irfhan Z   | Mr.E.V.GANESH BABU                    | Application | Safety and      | PO1,PO2,PO3,PO4,  |

|     |  |            |                       |  |             |                    |  |
|-----|--|------------|-----------------------|--|-------------|--------------------|--|
| 41. | emergency braking system   |            | Sri Muthu Sankar V    | AP/ Mech.Engg                          |             | cost               | PO5, PO6, PO7,   |
| 42. |  |            | Naveen Rajaa M        |  |             |                    | PO9,<br>PO10, PO11, PO12<br>PSO1, PSO2, PSO3                                 |
| 43. | Design and fabrication of spring less car suspension using bevel gears | In - House | Harisudhan R          | Mr.E.V.GANESH BABU<br>AP/ Mech.Engg    | Application | Cost and Standards | PO1, PO2, PO3, PO4,<br>PO5, PO6, PO9,<br>PO10, PO12 PSO1,<br>PSO2, PSO3      |
| 44. |  |            | Sivakumar R           |  |             |                    |  |
| 45. | Design and fabrication of kinetic energy recovery system for bicycle   | In - House | Madan @ Saravanan S   | Mr.S.NALLATHAMBI<br>AP/ Mech.Engg      | Research    | Standards          | PO1, PO2, PO3, PO5,<br>PO9, PSO1, PSO3                                       |
| 46. |  |            | HariKrishnakanth R    |  |             |                    |  |
| 47. | Design and fabrication of gyro wind mill for power generation          | In - House | Ramnath L S           | Mr.S.NALLATHAMBI<br>AP/ Mech.Engg      | Research    | Standards          | PO1, PO2, PO9.<br>PSO1, PSO3   |
| 48. |  |            | Kishore R             |  |             |                    |  |
| 49. |  |            | Balaji M S            |  |             |                    |  |
| 50. | Design and fabrication of 360° rotating conveyor                       | In - House | Srinivasan Madhavan P | Mr.S.NALLATHAMBI<br>AP/ Mech.Engg      | Application | Cost and Standards | PO1, PO2, PO3, PO4,<br>PO5, PO6, PO9,<br>PO10, PO12 PSO1,<br>PSO2, PSO3      |
| 51. |  |            | Kallin C L Chand      |  |             |                    |  |
| 52. |  |            | Hasan Ibrahim A S K   |  |             |                    |  |
| 53. | Design and fabrication of drainage cleaning mechanism                  | In - House | Mugabalan M           | Dr.N.NAGASUBRAMANI AN<br>AP/ Mech.Engg | Application | Cost and Standards | PO1, PO2, PO3, PO4,<br>PO5, PO6, PO9,<br>PO10, PO12 PSO1,<br>PSO2, PSO3      |
| 54. |  |            | Dhinesh Kumar K       |  |             |                    |  |
| 55. |  |            | Prasanna R            |  |             |                    |  |
| 56. | Design and fabrication of Geneva conveyor mechanism                    | In - House | Venkatesh A J         | Mr.M.MOHANRAJ<br>AP/ Mech.Engg         | Application | Cost and Standards | PO1, PO2, PO3, PO4,<br>PO5, PO6, PO9,<br>PO10, PO12 PSO1,<br>PSO2, PSO3      |
| 57. |  |            | Akilasekar K          |  |             |                    |  |
| 58. |  |            | Viswa Siva M          |  |             |                    |  |
| 59. | Design and fabrication of drill jig                                    | In - House | Raja Ranjith N        | Mr.M.MOHANRAJ<br>AP/ Mech.Engg         | Product     | Cost               | PO1, PO2, PO3, PO4,<br>PO5, PO6, PO7,<br>PO9, PO11, PO12<br>PSO1, PSO2, PSO3 |
| 60. |  |            | Vigneshwaran K        |  |             |                    |  |
| 61. |  |            | Sivasurya S           |  |             |                    |  |

|     |   |            |                   |                                     |             |                               |   |
|-----|---|------------|-------------------|-------------------------------------|-------------|-------------------------------|---|
| 62. | Design and fabrication of multi operational drilling and grinding machine | In - House | Eswar Ram K S     | Mr.M.MOHANRAJ<br>AP/ Mech.Engg      | Product     | Standards Cost                | PO1,PO2,PO3,PO4,<br>PO5, PO6,PO7,<br>PO9, PO11,PO12<br>PSO1, PSO2, PSO3   |
| 63. |   |            | Manikandan R      |                                     |             |                               |   |
| 64. |   |            | Adithyan R        |                                     |             |                               |   |
| 65. | Design and fabrication of five speed gearbox                              | In - House | Nivethitha Mary A | Mr.M.MOHANRAJ<br>AP/ Mech.Engg      | Research    | Standards                     | PO1,PO2,PO3,PO4,<br>PO5,PO6,PO9,PO1<br>0,<br>PO11,PO12,PSO1,<br>PSO2,PSO3 |
