K.L.N. COLLEGE OF ENGINEERING
(An Autonomous Institution, Affiliated to Anna University, Chennai)
DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Portfolio-first year to final year
Paper Presentation, Project contest, Spoken tutorial,
NPTEL,Value added Course, Quiz, Awards & Webinars
Batch-2021-2025
Academic year 2023-2024

YEAR/SEMESTER: III/ V, VI

S.No	Roll No	Name of the Students	Internal Participation	External Participation
1	212024	Ajith Kumar M K	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.24
			2. Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.NPTEL online certification in Introduction to IOT-88%-12 week(jul-oct 23)
			3.Open Challenge on Innovation – Automatic Battery Charging Cut off- a Project Expo on 21.04.23	3. Spoken tutorial by IIT Bombay on Arduino Training-100%-04.11.23
				4.Spoken tutorial by IIT Bombay on eSIM Training-67.86%-15.03.24
2	212315	Akash R	1.project contest-participated-multi purpose and automated service rover-03.05.24	1. NPTEL online certification in Cloud computing-55%-12 week(jul-oct 23)
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on Arduino Training-40%-04.11.23
			3.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
3	212013	Arivumathi P	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.NPTEL online certification in Cloud computing-62%-12 week(jul-oct 23)
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
			3.project contest-II nd prize-Design	

			& analysis of an EV battery charger using alternative redundancy power sources-03.05.24	
4	212104	Balakumar K K	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.24
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on Arduino Training-52.50%-04.11.23
			3.Open Challenge on Innovation – Automatic Battery Charging Cutoff- a Project Expo on 21.04.23	3.Spoken tutorial by IIT Bombay on eSIM Training-75%-15.03.24
5	212019	Devadharshini B	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.SOC design for low power applications by qualcomm-NIT Trichy-participated-17.02.24
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
6	212309	Dhanabalan A	1.project contest-dept of EEE-Short Circuit Current Protection -participated -24.03.23-KLNCE	1.NPTEL online certification in Introduction to IOT-60%-12 week(jul-oct 23)
			2competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2.NPTEL online certification in Cloud computing-62%-12 week(jul-oct 23)
			3.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
			4.project contest-dept of EEE-LSF-Life Sentinel Fan For Suicidal Prevention With Alarm And Remote Alert System -participated -03.05.24-KLNCE	
7	212027	Dhanish Hasan Khan A	1.project contest-participated-multi purpose and automated service rover-03.05.24	1.spoken tutorial by iit Bombay on esim-53.57%-15.03.24
			2.Value-added course on embedded systems and controller applications	2.Bannari amman institute of technology-01.03.24-02.03.24-national

			on 29.01.24-02.02.24(5 days)-KLNCE	level tech fest-iot workshop
			3.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	3.certificate of participation-vikshit Bharath
				4.Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
8	212317	Dhaniyalakshmi M	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
9	212105	Dhanushkumar V S	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.24
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.NPTEL online certification in Cloud computing-67%-12 week(jul-oct 23)
			3.Open Challenge on Innovation – Automatic Battery Charging Cutoff- a Project Expo on 21.04.23	3.Spoken tutorial by IIT Bombay on Arduino Training-95%-04.11.23
10	212316	Dhaya Vishnu R R	1.project contest-dept of EEE-vigilant street light fault monitoring and precision location tracking-participated -03.05.24-KLNCE	
11	212314	Dinesh B	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.NPTEL online certification in Introduction to IOT-65%-12 week(jul-oct 23)
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2.Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
			3project contest-dept of EEE-IOT-Powered Heavy Vehicles Fuel and Milege Monitoring system -participated -03.05.24-KLNCE	
12	212039	Dinesh C S	1.competency development training	1.NPTEL online certification in Cloud

			program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	computing-68%-12 week(jul-oct 23)
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
				3.Spoken tutorial by IIT Bombay on eSIM Training-71.43%-15.03.24
13	212034	Gopikaa P K	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
14	212318	Guru Bathrinath P		1.Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
				2.Spoken tutorial by IIT Bombay on eSIM Training-71.29%-15.03.24
15	212001	Guruz Stephen Alex A	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.Spoken tutorial by IIT Bombay on Arduino Training-75%-04.11.23
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on eSIM Training-42.86%-15.03.24
16	212008	Hari Krishna R	1.project contest-dept of EEE-Short Circuit Current Protection -participated -24.03.23-KLNCE	1.NPTEL online certification in Introduction to IOT-73%-12 week(jul-oct 23)
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2.KRETA23-TCE-Coder's den-dept of ECE-17.04.23
			3.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	3.NPTEL online certification in Cloud computing-64%-12 week(jul-oct 23)
			4.project contest-dept of EEE-LSF-Life Sentinel Fan For Suicidal Prevention With Alarm And Remote Alert System -participated -03.05.24-KLNCE	4.NPTEL online certification in smart grid:basics to advanced technologies-75%-12 week(jan-apr 24)
			5.Professional Development Course LUCRATIVE TECHNOLOGY(C,C++) on 23.01.23 – 28.01.23	5.Spoken tutorial by IIT Bombay on Arduino Training-100%-04.11.23

				6.Spoken tutorial by IIT Bombay on eSIM Training-60.71%-15.03.24
17	212030	Harini K	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.Spoken tutorial by IIT Bombay on Arduino Training-70%-04.11.23
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on eSIM Training-50%-15.03.24
18	212022	Harini R S	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.SOC design for low power applications by Qualcomm-NIT Trichy-participated-17.02.24
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.NPTEL online certification in smart grid:basics to advanced technologies-66%-12 week(jan-apr 24)
				3.spoken tutorial by iit Bombay on Arduino training-67.50%-10.11.23
				4. NPTEL online certification in Cloud computing-61%-12 week(jul-oct 23)
19	212310	Hemalatha S	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.NPTEL online certification in Cloud computing-54%-12 week(jul-oct 23)
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
20	212016	Jai Philbert M	1.project contest-dept of EEE-Short Circuit Current Protection -participated -24.03.23-KLNCE	2.Bannari amman institute of technology-01.03.24-02.03.24-national level tech fest-iot workshop
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	3.NPTEL online certification in Cloud computing-65%-12 week(jul-oct 23) Spoken tutorial by IIT Bombay on Arduino Training-85%-04.11.23
			3.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
			4.project contest-dept of EEE-LSF-Life Sentinel Fan For Suicidal Prevention With Alarm And	

			Remote Alert System -participated -03.05.24-KLNCE	
21	212002	Jeeva S	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.MEPCO SCHLENK clg-gyan mitra 24,national level technical symposium-(16,17.02.24)
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.NPTEL online certification in Cloud computing-72%-12 week(jul-oct 23)
22	212303	Joshua S	1.project contest-dept of EEE-vigilant street light fault monitoring and precision location tracking-participated -03.05.24-KLNCE	1.online IEEE PES workshop"Gen AI"-24..02.24
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.program of Artificial Intelligence by Digital Adda-23.05.24
			3.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	3.program in Embedded system design by digital Adda-23.05.24
				4.NPTEL online certification in smart grid:basics to advanced technologies-73%-12 week(jan-apr 24)
				5.microsoft advanced excel certification by it sonic solutions-23.05.24
				6.ssi education -programming in java course completion-02.09.23-02.11.23
				7.certificate of participation-vikshit Bharath
				8. spoken tutorial by iit Bombay on esim-75%-15.03.24
				9. NPTEL online certification in Introduction to IOT-71%-12 week(jul-oct 23)
				10. NPTEL online certification in Cloud computing-69%-12 week(jul-oct 23)
				11. Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
				12.Spoken tutorial by IIT Bombay on

				eSIM Training-75%-15.03.24
23	212041	Kanimurugan S	1.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.NPTEL online certification in Introduction to IOT-56-12 week(jul-oct 23)
			2.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
24	212017	KARTHICK RAJA K	3.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	1.NPTEL online certification in Cloud computing-56%-12 week(jul-oct 23)
			4.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	2.Spoken tutorial by IIT Bombay on Arduino Training-100%-04.11.23
				3.Spoken tutorial by IIT Bombay on eSIM Training-82.14%-15.03.24
25	212023	KAUSHAL R	1.project contest-dept of EEE-vigilant street light fault monitoring and precision location tracking-participated -03.05.24-KLNCE	
26	212014	KAVIPRIYA S		1.NPTEL online certification in Cloud computing-64%-12 week(jul-oct 23)
				2.Spoken tutorial by IIT Bombay on Arduino Training-100%-04.11.23
				3.Spoken tutorial by IIT Bombay on eSIM Training-71.43%-15.03.24
27	212007	LAKSHMI NARAYANAN K B	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.certificate of participation-vikshit Bharath
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2.NPTEL online certification in Cloud computing-73%-12 week(jul-oct 23)
			3.IPC with dept of EEE and dept of AIDS-recent trends in electrical drives-20.02.24	3.Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
			1.project contest-dept of EEE-vigilant street light fault monitoring and precision location tracking-participated -03.05.24-KLNCE	4.Spoken tutorial by IIT Bombay on eSIM Training-60.71%-15.03.24

28	212038	LOGESH KUMAR S	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1. NPTEL online certification in Introduction to IOT-70%-12 week(jul-oct 23)
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
			3.project contest-dept of EEE-IOT-Powered Heavy Vehicles Fuel and Milege Monitoring system -participated -03.05.24-KLNCE	
29	212015	LOKESHAN B	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.SOC design for low power applications by Qualcomm-NIT Trichy-participated-17.02.24
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2. NPTEL online certification in Cloud computing-60%-12 week(jul-oct 23)
			3.project contest-dept of EEE-IOT-Powered Heavy Vehicles Fuel and Milege Monitoring system -participated -03.05.24-KLNCE	3. NPTEL online certification in smart grid:basics to advanced technologies-63%-12 week(jan-apr 24)
				4. Spoken tutorial by IIT Bombay on Arduino Training-92.50%-04.11.23
				5.Spoken tutorial by IIT Bombay on eSIM Training-73.29%-15.03.24
				6. certificate of participation-vikshit Bharath
				7. online IEEE PES workshop"Gen AI"-24..02.24
30	212020	MADHU MITHA M	1.Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	1.SOC design for low power applications by Qualcomm-NIT Trichy-participated-17.02.24
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcod	2.NPTEL online certification in Cloud computing-66%-12 week(jul-oct 23)
			3.project contest-II nd prize-Design & analysis of an EV battery charger using alternative redundancy power sources-03.05.24	
31	212304	MAHIMA	1.Value-added course on embedded	1.SOC design for low power

		VISHALI R	systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	applications by Qualcomm-NIT Trichy-participated-17.02.24
			2.competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	2.NPTEL online certification in smart grid:basics to advanced technologies-80%-12 week(jan-apr 24)
			3.project contest-II nd prize-Design & analysis of an EV battery charger using alternative redundancy power sources-03.05.24	3.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.23
				4.NPTEL online certification in Cloud computing-60%-12 week(jul-oct 23)
				5.Electrical Power Utility Management for Power Quality,Energy Efficiency and safetyby KLNCE and FLUKE & ELMACK engg services-1 day tech seminar-16.10.23
				6.Spoken tutorial by IIT Bombay on Arduino Training-97.50%-04.11.23
				7.Spoken tutorial by IIT Bombay on eSIM Training-989.29%-15.03.24
32	212028	MOHAMED APSAR A	1.project contest-participated-multi purpose and automated service rover-03.05.24	1.MEPCO SCHLENK clg-gyan mitra 24,national level technical symposium-(16,17.02.24)
			2. Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	
			3. competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
33	212313	MOHAMMED SHAHID J	1.project contest-participated-multi purpose and automated service rover-03.05.24	1. NPTEL online certification in Introduction to IOT-82%-12 week(jul-oct 23)
			2. Value-added course on embedded systems and controller applications on 29.01.24-02.02.24(5 days)-KLNCE	

			3. competency development training program on python bootcamp-7 days-03.01.24-11.01.24-stepforcode	
34	212036	MUHUNDANA AR V	1.Women empowerment cell participated in MWGA UTSAV'23 contest-15.09.2023	1.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.24
			2.Matlabworks workshop twodays hands-on workshop electric vehicle development using matlab & Simulink- November-7 and 8 in 2024	2. NPTEL online certification in cloud computing-72%-12 week(jul-oct 23)
			3.Project contest 2024 paticipated title electricity pilerage monitoring system held on 3rd may 2024	3.Spoken tutorial by IIT Bombay on Arduino Training-100%-04.11.23
				4.Spoken tutorial by IIT Bombay on eSIM Training-80.00%-25.10.23
				5.Spoken tutorial by IIT Bombay on computers Training-90.00% - 30.11.23
				6.Soc design for low power application by qualcomm workshop at probe 2024 held at NIT Trichy during feb 16-18,2024
				7.Viksitbharat @2047 participation
				8.SkillDzire -master class on solar PV system design from 28 December to 30 December 2023
				8.Coursera project work – introduction to Microsoft excel,
				9.Ursera- build a computer vision app with azure cognitive services
				10.Firechip academy -AI in action from theory to implementation
				11.Mathworks has successfully completed 100% of self-paced training course object oriented programming on ramp
				12.Mathworks has successfully completed 100% of self-paced training course MATLAB Onramp
				13.Math works has successfully completed 100% of self-paced training course Machine learning Onramp
				14.Math works has successfully completed 100% of self-paced training course image processing Onramp on 29 december 2023
				15.SRM college for engineering and

				technology has participated weninar on adverse drug reactions awarwness among female by women cell in srm on 26.06.2023
				16.PSNA college of engineering and technology participating guest lecture on AI and ML applications in electrical engineering on 28.10.2023
				17.Nptel online course smart grid basics to advanced technologies 76% on April 2024
35	212004	NAGARJUN A N	1.project contest-participated-STREET light controller over-03.05.24	1. NPTEL online certification in IOT72%-12 week (jul-oct 23)
36	212012	NAVEEN KUMAR C G	1.Value-added course on embedded systems and controller applications on 3rd ,4th ,5th ,8th ,9th JAN 2024(5 days)-KLNCE	
			2.competency development training program on python bootcamp-7 days-29.01.24-03.02.24-stepforcode	
37	212009	NIVETHA R	1.project contest-participated-intravenous bag monitoring and alert system in using arduino-03.05.24	1.NPTEL online certification in CLOUD COMPUTING-72%-12 week(jul-oct 23)
			2.competency development training program on python bootcamp-7 days-29.01.24-03.02.24-stepforcode	2.Math works has successfully completed 100% of self-paced training course object oriented programming on ramp
			3.KLN college of engineering participated in annual sports meet in 28.03.2023 (BALL BADMINTON)	3.Math works has successfully completed 100% of self-paced training course image processing Onramp on 29 december 2023
			4.KLN college of engineering participated in annual sports meet in 28.03.2023 (400MTS) 2st prize	4.Math works has successfully completed 100% of self-paced training course MATLAB Onramp
			5.KLN college of engineering participated in annual sports meet in 28.03.2023 (4*100) 1st prize	5.Math works has successfully completed 100% of self-paced training course optimization Onramp
			6.KLN college of engineering participated in annual sports meet in 28.03.2023 (VOLLEY BALL)	6.Math works has successfully completed 100% of self-paced training course computer vision onramp
			7.KLN college of engineering participated in annual sports meet in 28.03.2023 (BASKET BALL)	7.Math works has successfully completed 100% of self-paced training course computer vision onramp

			8.KLN college of engineering participated in annual sports meet in 28.03.2023 (BADMINTON)	8.Math works has successfully completed 100% of self-paced training course statistics onramp
			9.KLN college of engineering participated in annual sports meet in 28.03.2023 (KHO- KHO)	9.Math works has successfully completed 100% of self-paced training course reinforcement learning onramp
			10.KLN college of engineering participated in annual sports meet in 28.03.2023 (THORWBALL)	10.Math works has successfully completed 100% of self-paced training course simulink onramp
			11.Value-added course on embedded systems and controller applications on 03.01.24-09.01.24(5 days)-KLNCE	11.Math works has successfully completed 100% of self-paced training course image processing onramp
				12.NPTEL smart grid basics to advanced technologies 79% (jan-apr 2024)
				13.Smart India Hackothan 23 participated in institute-level hardware edition at KLN Clg-22-23.09.24
38	212005	PRABHAKAR RAJ M	1.project contest-participated-STREET light controller over-03.05.24	1.NPTEL online certification in IOT-66%-12 week(jul-oct 23)
39	212302	PRASANNA KUMAR S	1.Value-added course on embedded systems and controller applications on 03.01.24-09.01.24KLNCE	1.SRI Meenakshi engineering works implant training 20.12.23 to 24.12.2023
