In this Afternoon session, the EEE students were given Familiarization about the 28 years old EEE department by their respected Head of the department Dr.S.M.Kannan sir. He showcases the various activities, faculty profiles, department strengths, rank holders and Placement records of the EEE department. Besides all the Teaching staff were made to be introduced to the students.

31.08.2023 (Day 2) - Session I (9:15 AM to 10:55 AM) Practices of UHV in Industries by Dr.S.Parthasarathy, Prof. /EEE & IIPC Coordinator

In the First Session of Day-2, IIPC Chief Coordinator Dr.S.Parthasarathy Prof/EEE, has delivered his real time experiences in the industries he visited during his career. Also, he delivered some practical examples of universal human values followed in Industries.

31.08.2023 (Day 2) - Session II (11:10 AM to 12:50 PM)

Emotional Intelligence by Dr.S.Miruna Joe Amali, Prof. & Head / CSE.

In the Second Session of Day-2, Dr. S. Miruna Joe Amali, Professor and Head of CSE, delivered an engaging talk on Emotional Intelligence. She explained its significance in personal and professional settings, emphasizing self-awareness, empathy, and relationship management. The session included practical insights and strategies to enhance emotional intelligence for effective communication and decision-making.

31.10.2021 (Day 2) -Session III & IV (1:30 PM to 3:45 PM) <u>Familiarization of Department Laboratories</u>

In this session, the students were made to visit various laboratories of the EEE department. Various Faculties of EEE Department had took the students to various labs, and they were explained about the various salient features of Labs.

01.09.2023 (Day 3) - Session I (9:30 AM to 10:45 AM) Introduction to UHV-I by Dr.R.M.Satheesh Kumar, Prof. & Head / AuE.

In the First Session of Day-3, Dr. R. M. Satheesh Kumar, Professor and Head of AuE, introduced the foundational concepts of Universal Human Values (UHV-I). He highlighted the importance of holistic development, ethical practices, and harmonious living. The session provided a comprehensive overview, inspiring participants to integrate these values into their personal and professional lives.

01.09.2023 (Day 3) - Session II (11:10 AM to 12:50 PM)

Magics of Mathematics by Dr.J.K.Subhashini, Prof. & Head / Maths.

In the Second Session of Day-3, Dr. J. K. Subhashini, Professor and Head of Mathematics, presented an intriguing session on the Magics of Mathematics. She demonstrated the beauty and versatility of mathematical concepts through captivating examples and real-world applications. The session left participants inspired by the power of mathematics in problem-solving and innovation.

01.09.2023 (Day 3) - Session III (1:30 PM to 3:45 PM)

Kalaignar Centenary Library Visit.

In the Third Session of Day-3, students visited the Kalaignar Centenary Library, a landmark of knowledge and culture. The visit provided an opportunity to explore the vast collection of resources and experience the enriching ambiance of the library. It inspired students to cultivate a habit of reading and lifelong learning.

04.09.2023 (Day 4) - Session I (9:30 AM to 10:45 AM)

Training & Placement activities by Dr.P.Udhayakumar, HOD/MECH & TPO

In the First Session of Day-4, Dr. P. Udhayakumar, Head of Mechanical Engineering and Training & Placement Officer, discussed Training & Placement activities and the campus recruitment history of KLNCE. He highlighted the institution's achievements in securing placements and shared strategies for excelling in recruitment processes. The session provided valuable insights to help students prepare effectively for campus placements.

04.09.2023 (Day 4) - Session II (11:00 AM to 12:45 PM) Joy of Learning by Dr.M.R.Thanasekhar, Prof/Mech, Head-OC-ARD

In the Second Session of Day-4, Dr. M. R. Thanasekhar, Professor of Mechanical Engineering and Head of QC-ARD, delivered an inspiring session on the *Joy of Learning*. He emphasized the importance of cultivating curiosity, critical thinking, and a passion for lifelong learning. The session encouraged students to embrace learning as a joyful and transformative experience.

04.09.2023 (Day 4) - Session III (1:30 PM to 03:45 PM)

Sports Activities

On the last day of the session, the students were allowed to relax their physical and mental pressure by playing a lot of Indoor games like Carrom, Chess, Table Tennis, Badminton and Outdoor games like Foot ball, Basket Ball, Cricket etc., under the guidance of physical Director Dr.Anand.

Creative Practices - by Cultural and Literary Association

In Sessions III & IV of Day-6, the Cultural and Literary Association organized Creative Practices activities, including an Art from Waste Contest, Model Contest, and Drawing Competition. These events encouraged students to showcase their creativity and innovative thinking by transforming everyday materials into artistic expressions. The contests provided a platform for students to explore their artistic talents and engage in environmental sustainability through creative recycling.

07/09/23 02:59 PM GMT +05:30

On Day-7, Sessions I and II (9:30 AM to 12:30 PM), the Mathematics and English Departments jointly conducted the *Maths and English Proficiency Test*. The session aimed to assess and enhance the students' foundational skills in both subjects, which are essential for academic and professional success.

The *Mathematics Proficiency Test* focused on evaluating the students' grasp of key mathematical concepts such as algebra, calculus, and problem-solving techniques. The test aimed to gauge their analytical thinking and numerical reasoning abilities, which are critical in various fields of study and industry applications. The *English Proficiency Test*, on the other hand, assessed the students' command over language skills, including grammar, vocabulary, reading comprehension, and writing ability. The test provided an opportunity for students to identify areas of improvement in their language skills, which are crucial for effective communication in both academic and professional environments.

08.09.2023 (Day 7) - Session III (1:30 PM to 03:45 PM)

Keeladi Heritage Museum Visit

In the Third Session of Day-7, students were taken on a visit to the *Keeladi Heritage Museum*. The museum is an important archaeological site that showcases the rich cultural heritage of ancient Tamil civilization. During the visit, students had the opportunity to explore artifacts, ancient inscriptions, and relics that date back to the Sangam period. This experience provided them with a deeper understanding of Tamil history, art, and architecture, fostering a greater appreciation for the region's historical significance. The visit also served as an educational experience, linking historical discoveries with modern-day learning.
