8. Mr. G.S. SANTHAVENKATESH – Treasurer, Alumni Association, KLNCE
9. Alumnus belonging to various departments of our college.

Dr. J. RAJESH BABU, President, Alumni Association, KLNCE, welcomed the members present. He reminded the Vision and Mission of the College. He explained about the various Alumni activities. He informed that the first batch (1994-1998) of KLNCE students celebrated Silver Jubilee, nearly 75 alumni of MECH, EEE and ECE departments participated in the silver jubilee. Second batch (1995-1999) of KLNCE students celebrated Silver Jubilee in the month of August 2024. He appreciated the involvement of Alumni in developing the Autonomous Curriculum and Syllabus. Based on their inputs, the curriculum and syllabus are enriched. He said that alumni involvement is essential to bridge the gap between Industry requirement and Institution's curriculum. He invited Alumni to come to our college frequently to conduct work shop, placement training, Guest lecture etc. He also appreciated the financial support rendered by the Alumni towards the education of economically backward students. He requested them to extend these types of co-operations in future also.

Er. K.N.K. KARTHIK – President, KLNCE, welcomed all the members. He appreciated the KLNCE staff members for their Excellent, Innovative and Dedicated service towards the development of our college. He appreciated the outstanding involvement of Alumni as stakeholder in the remarkable Knowledge, Skill and Placement activities. He appreciated the excellent connectivity of Alumni with the students of KLNCE. He expressed his heartfelt gratitude for the Alumni Association. He is happy to inform that the building global network of KLNCE is achieved through this Alumni group.

Dr. S. PARTHASARATHY, Secretary, Alumni Association, KLNCE, presented the Alumni report for the academic year (2023-2024). Nearly 14,000 students have been Graduated and become Alumni of this institution. During the period from December 2023 to October 2024, nearly 75 Alumni have actively involved in the development of college in

terms of delivering lectures etc. 15 invited lectures through online mode and 60 exclusive training activities for students were carried out by the Alumni. Alumni are actively involving in various activities like conducting guest lectures, expert talk, app development and conducting online /offline programs. Alumni are also helping the students to under-go in-plant training. They are also financially supporting the economically weaker students in paying tuition fees, bus fees etc. Mr. Ponkumar (EIE) helped towards the placement of 4 students. Mr. Ajay (AuE) was the chief guest for the National Science Day. Mr. Rajesh (ECE) conducted many mock interviews for ECE Department students. For IT Department, Alumni conducted workshop on Javascript, expert talk in AI and also acted as Judge for Project Context. Two start-up companies are established in KLNIRP. Alumni are supporting the various research activities which are being held in KLNIRP. Three research activities are also carried out through Alumni. For the Symposium 'Dreamz 2024' conducted by MBA department, our Alumni Mr. Hari Prasath was gracing the function as the chief guest. In MCA Department, for the symposium 'Vyuham 2024' our Alumni Mr. N.V.Saravanan was the chief guest. He informed that third batch of EEE students of KLNCE is planning for Silver Jubilee in the month of July 2025. Fourteen core team members are working for this upcoming remarkable event.

Dr. A.V. RAMPRASAD – Principal, KLNCE, welcomed the management members, HOD/Directors, Faculty members, Alumni Association members and Alumni. He expressed his sincere thanks to all the Alumni who were present on that day in spite of their busy schedule. He is happy to inform that all our Alumni proudly say that they are KLNCE wherever they are going and whenever they are interacted by public. He added that as on date, nearly 14,000 students have been graduated from our college. The important stake holder of KLNCE is "Alumni" who play a vital role in the success of KLNCE. He informed that 8 UG branches and 5 PG branches are currently running in our college. He said that first batch of Autonomous students of KLNCE are Graduated in the year 2024 and the graduation day was held on 29th September 2024. He is happy to share that the vision of our management is being fulfilled. He also appreciated the Alumni, in framing R2024 Curriculum and Syllabus and they play a vital role in Board of Studies to introduce new and advanced topics in all subjects. He is happy to inform that out of 440 Engineering colleges in Tamilnadu our KLNCE scores 50-75 Ranking. He said that KLNCE admits 630 students in first year UG course during the year 2024-2025. Students' admission rate has also been increased. Placement also has been increased. He appreciated that the KLNCE faculty members are Eminent, Dedicated and Sincere. Their teaching and learning process is excellent. Many faculty members are serving in our institution more than 25 years. He said that 9 startups have been established in KLNCE as a "cross functional venue" for KLN Innovation Research Park to give fast solutions to industrial problems. He said that "Smart Meeting Hall" has been established in KLNCE and he asked the alumni to deliver motivational speech through online mode. He said that Alumni contribution is increasing every year in all aspects including financial help for the needy students.

INTERACTION WITH ALUMNI

- **Dr. Prabhu – AuE 2006 BATCH** - He focused on Emotional Quotient (EQ) or Emotional Intelligence determines an individual's ability to identify emotions. It is a common belief that people with a high EQ make better leaders, because of their ability to understand and connect with those around them. He informed that he is conducting free Programs “Fire Safety”, “Road Safety” for school children. He requested Alumni to “Serve for Society” as much as possible.
- **Mr. Hariram – AuE 2019 BATCH** - He is conducting many training programs for students through Rotaract Club. He is taking steps to establish a relationship between college and company and he has given assurance to place KLNCE students next year. He requested our college management and principal, to rerun the B.E. Automobile Programme again for the benefits of students.
- **Mr. Santhosh – CSE 2019 BATCH** - informed that he will give guest lecture/expert talk, conduct workshop to students, so that they can be aware of latest trends and technology related to IT field.
- **Mr. Ramkumar – CSE 2011 BATCH** - He informed that he will visit our college to give placement training and tips to students to get better placement in companies.
- **Mr. Dinesh – IT 2019 BATCH** - He said that Lot of openings are available for fresher in IT industries. He has given assurance to place our students.

Er. D. PRAVIN KUMAR, Vice President, Alumni Association, KLNCE, proposed vote of thanks. He thanked our Management, Principal, Head of Departments, Faculty Members and Alumni for attending the meeting. He also requested the Alumni to visit our college frequently and to interact with students to extend their support for career growth.
