

Details of partial delivery of appropriate courses handled by Industry Experts for 2022 – 2023

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	15-03-2023	Manufacturing	Mr.VPT.Raja, Managing Director,TPM Max,22,Muthupandi Sirungeri Madam Byepass, Ponmeni, Tamil Nadu 625016	Precision Machining-CAD/CAM Plastic Industries	55	Students gained knowledge about the precision machining process in plastic industries
2.	09.05.2023	Service	Mr.S.S.Balasubramanian, Managing Director, THORS eLearning Solutions (India)	Learning Made Easy	35	Students got awareness about the higher studies opportunities in India and Abroad
3.	09.05.2023	Research	Dr. P.V. VENKITAKRISHNAN, Chairman, ASDB, IEI; Distinguished Scientist and Former Director, ISRO HQ, Bangalore	Challenges in the Rural Application of Small Satellite Data – Indian Space Programme Scenario	85	Students got awareness about the rural application of satellites
4.	09.05.2023	Research	Mr. INGERSOL SELLADURAI, Scientist H, Former Group Director, Systems Reliability – Spacecraft Propulsion Systems & Sensors, LPSC, ISRO, Bangalore	Opportunities and Challenges in Propulsion Systems	85	Students came to know about the propulsion systems
5.	09.05.2023	Research	Dr. K. GOPALAKRISHNAN, Project Director, 75 Students Satellites Consortium: Mission 2022, Bangalore	Era of Small Satellites: Pico, Nano and Micro Satellites (PNM Sat): BIG Applications	85	Students gained knowledge about the types of small satellites

6.	10.05.2023	Research	Prof. R.R. Elangovan, Former Scientist, ISRO, VSSC, Trivandrum Professor, KCG College of Technology, Chennai Topic:	Startup Opportunities in Space Debris Removal System	85	Students got awareness about the business opportunities in space debris removal.
7.	10.05.2023	Research	M.K. SUNDARESAN, Scientist / Engineer 'G', Head, PSFD, SDEG, STR, VSSC, Trivandrum	Launch Vehicle Structures – Design and Analysis Aspects of Satellites interface	85	Students gained knowledge in design of satellites interface.
8.	10.05.2023	Research	Er. M.S. JEYACHANDRAN, Deputy Director, IISU, VSSC, Trivandrum	Navigation and Guidance of Operation of Small Satellites	85	Students got awareness in the navigation systems of small satellites
9.	10.05.2023	Research	Er.J.Sarathkumar Sebastin, Head/Aerospace Engineering, Kalasalingam University, Krishnankovil.	Application of Sensors in Small Satellites	85	Students came to know about the various applications of sensors in satellites
10	17-03-2023	Service	Mr.K.A.Kajamohaideen, Course Director Gulf Technical Institute, Madurai	Hands on Training on Air Conditioning Systems	52	Students gained knowledge about the working of air conditioners
11	28.11.2022	Service	Mr. G. Savaridoss Franklin, Proprietor, Royal Engineers, Madurai.	VRF Systems - Future of HVAC Industry	45	Students got awareness about the VRF Systems
12	22.11.2022	Service	Mrs. SHINEY MESHACH, Regional Director, Brand Monk Academy and Consulting, Madurai.	Overview of Digital Marketing	45	Students gained knowledge in digital marketing

13	18.11.2022	Manufacturing	Mr. Shareef Kaiser, MEP Engineer, Design, Skyline Engineering, Tirunelveli & Madurai	MEP Introduction- Overview	50	Students came to know about MEP
14	26.10.2022	Manufacturing	Mr.S.Arivalagan, Vice -President, SUPRATEC, Hyderabad	Accelerating Career Growth	100	Students got awareness about the various opportunities after their graduation
15	22.09.2022	Manufacturing	Mr. Karthick Mari Pitchai, Senior R&D Engineer , Valeo India Pvt Ltd. (VIPL), Chennai, INDIA	Technical Skill Expected for fresh Graduates in Automobile Industry	109	Students got awareness about the various opportunities in automobile industries after their graduation

Details of partial delivery of appropriate courses handled by Industry Experts for 2021 – 2022

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	15.06.2022	Manufacturing	Er.V.Sathappan, Managing Director, Sree Kumar Textiles Pvt. Ltd., Madurai	Bridging the Gap between Institute & Industry	63	Students are aware of the requirements of the industry from the graduate students and the ways to bridge the gap.
2.	11.05.2022	Sales & Service	Mr.N.Bala Chandran, Proprietor, Sree Engineering, Madurai	Basics of Cold Room	130	Students understood how the specific temperature (below the outside temperature) is artificially generated
3.	10.05.2022	Software	Mr.S.Sethuramalingam, IOT Trainer, Riyasaa Labs, Nagercoil.	Enabling Technology for Future Vision	124	Students got knowledge in the need for latest technology in modern industries.
4.	26.04.2022	Service	Mr.V.S.Ravikumar, HR Manager, Royal Air Cool Contracting Company, Madurai.	Self Assessment, Self Appraisal and Self Development	47	Students gained exposure in getting Skills, knowledge and attitude
5.	07.02.2022	Consultant	Dr. Subhash Kakkar Six Sigma Master Black Belt,	Personality Development	46	Students understood the need for development of self and others

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
			Director, FOSTIIMA Business School, New Delhi	Program (Online Mode)		through teamwork and collaboration.
6.	31.01.2022	Consultant	Dr. Sandeep Patil Academy of Communication and Confidence, Maharashtra	Personality Development Program on English Communication and Confidence Therapy (Online Mode)	41	Students understood the need for good communication and how to develop the self Confidence.
7.	28-12-2021	Service	Er.R.Kishore, HVAC Consultant, Independent Air Conditioning Projects Consulting Engineer, Chinthamani, Madurai.	Overview of Air Conditioning System	50	Students gained exposure about Air Conditioning System.
8.	27-12-2021	Service	Er.Jaiganesh,MD, Vasantha Engineering, Sarvodaya 1st Street, New Ellis Nagar, Madurai.	Employment Opportunities in Refrigeration Industry	50	Students gained awareness in Employment Opportunities and the expectations of Refrigeration Industries.
9.	29-08-2021	Service	Mr.M.Shareef Kaiser, Design Engineer MEP, Skyline BIM Engineering	Heat Load Calculation	51	Students understood how to calculate the amount of heat either can be added to a space or removed from a space to maintain an acceptable range of energy.
10.	21-08-2021	Service	Mr.K.A.Kajamohadideen, Course Director,, GULF Technical Institute, Madurai.	Basics of Refrigeration and Air Conditioning	62	Students learnt about various types of refrigerators and working of Air Conditioning system.
11.	09-08-2021	Service	Er. S.B.Adhithyaa, Chief Software Operations-Manufacturing,USAM CAD Soft India, Coimbatore - 641012.	Future on making things with Autodesk Fusion 360	69	Students understood the applications and importance of Autodesk Fusion 360

Details of partial delivery of appropriate courses handled by Industry Experts for 2020 – 2021

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	09-03-2021	Service	Mr.K.A.KajaMohideen, Member of ISHRAE, Course Director,,GULF Technical Institute, Madurai.	Refrigeration and Air Conditioning	53	Students gained knowledge in various types of refrigerators and working of Air Conditioning system.
2.	13-02-2021	Automobile	Mr. T.Rajkannan, Vehicle Architect, Renault Nissan Technology, Chennai	Skill Sets To Meet Industries Need	150	Students gained the exposure of industrial requirements and aware about the skill sets to make them qualified.
3.	06-02-2021	Service	Mr. Badari Hiriyur, Education Prigram Specialist, Autodesk, Delhi.	Design Thinking	70	Students learnt the various stages of design thinking process.
4.	14-12-2020	Service	Er.S.Vennila, B.E., MBA., Superintending Engineer /TANGEDCO Metro/Madurai EDC	Energy Conservation	52	Students learnt about the efforts to utilize the energy effectively and to reduce the consumption of energy.
5.	07-11-2020	Service	Mr.K.A.KajaMohideen, Member of ISHRAE, Course Director, GULF Technical Institute, Madurai.	Operation and Maintenance of Split Air Conditioners	61	Students understood the concepts of working of Split Air Conditioners
6.	31-10-2020	Service	Er.E.Mohanraj Scientific Officer/E, RFS/CFED, MFRG, MC&MFCG IGCAR, DAE, KALPAKKAM	Air conditioning & Ventilation System for a Nuclear Facility - its Safety Aspects	48	Students gained knowledge about Safety Aspects and Air conditioning & Ventilation System in Nucleae industry
7.	06-10-2020	Software	Er.Rajendran Subramanian, B.E., M.Tech (IIT-K) Founder Silicon Software Services, Madurai.	Enhancing Programming Skills Towards Software Corporate	54	Students understood the need of Programming Skills in Software industry.

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
8.	09-09-2020	Service	Dr.Raj Subbiah, Ph.D., Vice President, Hydromodelling Lnc., Florida, USA	Vibration machines of	52	Students gained knowledge about the causes of vibrations in machines and its remedies.
9.	05-09-2020	Automobile Service	Dr.Venkataraman Balaji President, TVS Sensing Solutions Private Limited Director, Fibre Optic Sensing Solutions Private Limited	Engineers for Self Reliant India	51	Students got knowledge on economic and technological independence in India.

Details of partial delivery of appropriate courses handled by Industry Experts for 2019 – 2020

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	03-05-2020	Manufacturing	Mr.Valliappa Kalyanasundaram, Senior Research Scientist Inspire AG (ETH Zurich), Switzerland.	Graduate studies and Subsequent Employment in Abroad	56	Students gained the exposure of higher studies as well as job opportunities in abroad.
2.	02-05-2020	Service	Mr.Suman Babu Gopal, Site Engineer, Al Rasheediah Safety and Security Est. Adu Dhabi	Career Opportunities in Fire and Safety	53	Students gained the exposure of job opportunities in fire and safety industries
3.	25-04-2020	Software	Mr.Karunamurthy Nagarajan, IT Analyst, Tata Consultancy Services	Software Testing	52	Students gained knowledge in the basics of Software Testing and its modules.

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
4.	24-04-2020	Service	Mr.Vijay Anand Raja, Executive Coach & Founder, Suruli, GENEVA	How to improve Communication and Presentation skills	47	Students understood the need for good communication and presentation and how to develop it.
5.	23-04-2020	Software	Mr.Vasanth Selvaraj, PLM Consultant Piterion GmbH, GERMANY	Career Opportunities in PLM for Mechanical Engineering Students	44	Students understood the various strategies of business management as a product goes through a life cycle.and gained the exposure of job opportunities in PLM industries.
6.	20-02-2020	Power plant	Mr.E.Mohanraj, Scientist, Indira Gandhi Centre for Atomic Research Kalpakkam, Tamil Nadu – 603 102	Heat Transfer and Refrigeration Concepts	105	Students understood the concepts of Heat Transfer and gained knowledge in key components of Refrigeration cycle.
7.	13-09-2019	Marketing	Mr.V.Venkatesh, Product Sales Manager, VOLTAS Ltd.	Recent Trends in HVAC	112	Students gained exposure about Air Conditioning System.
8.	10.08.2019	Manufacturing	Er.S.Sankara Narayanan, Sanmac Machines, Chennai.	Multi Diversions in Manufacturing	310	Students got knowledge about the functioning of various machines used in modern industries.
9.	05-08-2019	Manufacturing	Er.Arun Kumar Prasad, Lead Engineer,, Mahindra and Mahindra, Chennai	Advancement and Opportunities in Automotive Engineering	120	Students gained the exposure of job opportunities in Automobile industries

Details of partial delivery of appropriate courses handled by Industry Experts for 2015 – 2016

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	13.04.16	Manufacturing	Mr.V.Murugan, AGM- Product Development, Ashok Leyland, Chennai	Bridging the Gap between Institute & Industry	140	Students are aware of the requirements of the industry from the graduate students and the ways to bridge the gap.
2.	23.02.16	Manufacturing	Mr.Ka.Vinodhan, Director, Iwiz Android Robo Pvt Ltd, Chennai	Basic of Robotics and Power of Mechanical	120	Students got basic knowledge in robotics and the need for automation in modern industries.
3.	23.01.16	Software	Mr.V.S.Vasanth, PLM Developer Prolink Solution India Private Limited, Bangalore.	Product Life Cycle Management	115	Students understood the various strategies of business management as a product goes through a life cycle.
4.	23.01.16	Service	Mr.Senthil Murugan, ATPDC-CIPET, Madurai	Competency Development Programme	115	Students understood the need for development of self and others through teamwork and collaboration.
5.	12.09.15	Service	Mr.J.Dhanraj, Senior Technical Officer, ATPDC-CIPET, Madurai.	LASER Manufacturing	101	Students got awareness in the LASER Manufacturing process and its applications.
6.	10.09.15	Marketing	Mr.B.Selvakumar, S&T Engineers (P) Ltd., Coimbatore.	Multi Diversions in Manufacturing	101	Students got knowledge about the functioning of various machines used in modern industries.
7.	03.09.15	Consultant	Mr.Devibalan, Ethnus Consultancy, Bangalore.	Importance of communication Skills	115	Students understood the need for good communication and how to develop it.
8.	31.08.15	Training	Mr. C.Anantaraman Behavioural Management	Personality Development	140	Students are able to find their uniqueness.

			trainer	Programme		
9.	31.08.15	Manufacturing	Mrs.A.Santhakumari, Senior Deputy Manager, Welding Research Institute, Trichirappalli	TIG Welding Process	100	Students got knowledge about TIG welding process.
10.	31.08.15	Manufacturing	Mr.N.Rajasekaran, Senior Manager(Operations), Welding Research Institute, Trichirappalli	LASER Welding Process	100	Students gained exposure in recent welding processes and its applications in industries.
11.	03.08.15	Power Plant	Mr. V.Sankara Narayanan, Additional Chief Engineer, Kudankulam Nuclear Power Plant, Kudankulam	Nuclear Engineering	250	Students gained knowledge in operation, performance of various components in a nuclear power plant
12.	31.07.15	Service	Mr.Y. Hidayathullah, Senior Technical Officer, ATPDC-CIPET, Madurai.	Importance of processability analysis for plastics injection moulded parts	142	Students understood the process ability parameters of injection moulding parts.
13.	23.07.15	Manufacturing	Mr.A. Amal Raj, Senior Manager, Product Development, Ashok Leyland, Chennai	Career Awareness	142	Students gained the exposure of job opportunities in core industries

Details of partial delivery of appropriate courses handled by Industry Experts for 2014 – 2015

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	08.04.15	Manufacturing	Mr. G. BhagawathiPerumal, Technical Manager, Firestone TVS Pvt Ltd, Madurai	Project Development	142	Students gained exposure in identification of projects, design, fabrication and analysis.
2.	12.03.15	Software	Mr.K.D.Dinesh, Trident Techlabs,	LabVIEW	38	Students gained knowledge in the basics of LabVIEW software VI modules and the

			Chennai.			logical arithmetic, Booleans, strings, arrays and clusters.
3.	13.03.15		Mr.Jiyo Mathew, Trident Techlabs, Bangalore.			Students gained knowledge in inputs, outputs channels of virtual instrumentation with logical block diagrams and interfacing with real time data acquisition system.
4.	19.09.14	Manufacturing	Mr. R. Ravichandran, AGM, Quality Assurance, TVS Sundaram Fasteners Ltd, Madurai	Total Quality Management	119	The knowledge of TQM / TPM practices used in manufacturing organizations and methodology in implementation were known to students. The process of applying tools like Seven QC, Lean principles was understood by the students and they are motivated to apply the same in their project work.
5.	25.10.14	Manufacturing	Mr.S.S.Kalyanaraman, Sr.Manager - HR., Renault Nissan, Chennai,	Competency Development Programme	97	Students gained exposure in getting Skills – tasks, knowledge and attitude
6.	25.09.14	Manufacturing	Mr.M.S.Nagarajan, Chief Technical Officer, Techniche Engineering Systems, Pune.	Thermodynamic Parameters in Steam Power Plants	139	Students gained knowledge in smart solutions for various air pollution control requirements.
7.	18.09.14	Manufacturing	Mr. M. L. SidhuVinayagan, Assistant Manager, Sundaram Clayton, Chennai.	Lean Manufacturing Practices	33	The knowledge of various best manufacturing practices followed in Industry and how lean practices helped the companies in eliminating of various manufacturing activities was understood by the students. A case study methodology discussed by the speaker transferred the knowledge of PDCA approach in order to identify a problem, formulate & implement solution, evaluate results and make improvements by Kaizen approaches.
8.	13.09.14	Manufacturing	Mr. C. Lakshmanan, Senior Manager – HR, E.I.D Parry India Ltd, Sivagangai	Reaching the global village	46	Students gained exposure for employability skills.

9.	13.09.14	Manufacturing	Mr. S. Valliappan, Manager - HR, Wheels India, Chennai	Reaching the global village	46	Students gained idea to prepare themselves for their better placement.
10.	13.09.14	Manufacturing	Mr.S.S.Kalyanaraman, Sr.Manager - HR., Renault Nissan, Chennai,	Knocking the right door	46	Students gained awareness in exciting industries and their expectations.
11.	24.07.14	Consultant	Mr. Sundarasubramanian, Chief Consultant, Technozen, Madurai	Lean Manufacturing Practices	104	The students gained basic knowledge about the concept of Lean Principles and applications of various lean tools practiced by the industries. A demo on few lean tools helped the students in applying few Lean principles in their industrial project work.
12.	17.07.14	Power Plant	Mr.V.Marimuthu, Assistant Engineer, Tuticorin Thermal Power Station, Tuticorin	Power Plant Technology	105	Students got awareness about the operation, maintenance and improving performance of various components of a Power Plant like Air Preheater, Boiler, Feed water Heater and maintenance of mechanical equipments like multistate centrifugal pumps and blowers etc.

Details of partial delivery of appropriate courses handled by Industry Experts for 2013 – 2014

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	03.04.14 & 04.04.14	Service Sector	Mr.V.Thangaraj, Additional Director, Directorate of Industrial safety and Health Government of Tamilnadu	Industrial Safety Management	38	Students gained knowledge of Man- Machine interfacing and their contribution for accidents. It has also been explained about designing new equipments ergonomically.
2.		Manufacturing	Mr.Sundaramoorthy, Manager, BHEL,Trichy			Students understood the various material handling devices used in industries, the hazards involved in using them and the methodologies involved in proper handling.
3.		Manufacturing	Mr.C.Muthukumar, DGM,			Students gained about the emergency

			BHEL, Trichy			preparedness on-site and off-site, drill with case studies industries and also in shopping malls.
4.		Manufacturing	Mr.C.V.Arun, DM (Safety), TVS Sri chakra Ltd, Madurai.			The basic causes for accidents and accident prevention methodologies, direct and indirect costs were understood by the students.
5.		Manufacturing	Mr.S.Ranjithkumar, Safety officer, Madura Coats, Madurai			Students got knowledge in Difficulties in entering the confined spaces and methodologies in overcoming the difficulties.
6.		Manufacturing	Mr.N.B.Sundaresan, Vishnu Industrial Products, Madurai			Students got exposure in various personal protective equipments, fire extinguishers and fire alarms.
7.	22.03.14	Manufacturing	Mr. SowriRajan, Wheels India, Chennai	Product and Process Development	98	The students are aware of various products of wheels India and the process involved in manufacturing the same.
8.	23.01.14	Software	Mr.O.S. Sivakumar, Consultant, SyskanTechnosoft, Madurai.	Character Development	107	Students got awareness about the various soft skills required to get employment in industry and smooth running of the life personal and official.
9.	18.01.14	Manufacturing	Mr.R.Sankaranarayanan, Junior Manager, TVS Tyres, Vellaripatti, Madurai.	Industry Ready Engineering Graduates	86	Students have come to understand the gap between the engineering education and employment in industry. The technical skills and soft skills required to work in an industry was explained.
10.	20.11.13	Automation	Mr. S. Mahesh, TAFE, Madurai	Optimization	50	Students gained exposure in finding an alternative with the most cost effective or highest achievable performance under the given constraints, by maximizing desired factors and minimizing undesired ones.
11.	06.11.13	Manufacturing	Mr. S. Valliappan, HR, Wheels India, Chennai	Optimization	50	Students gained knowledge about various optimization techniques
12.	03.10.13	Consultant	Mr. L. S. Kannan,	Lean	94	The students become aware of the

			Lean Consultant, SSA Business Solutions, Chennai.	Manufacturing Practices		concept of value stream map and its application in the industry towards eliminating wasteful activities. The hands on training given to them helped in establishing a VSM for a product and in analyzing the value stream map. The students gained hand on experience in application of i-graf-x software to develop a current and future state VSM for an industrial unit.
--	--	--	---	----------------------------	--	---

Details of partial delivery of appropriate courses handled by Industry Experts for 2012 – 2013

S. No.	Date	Type of Industry	Name of the Industry Expert	Courses Handled	No. of students participated	Impact Analysis
1.	29.04.13	Consultant	Mr. S. Venkatachalapathy, CEO, Excel Textronics, Madurai	Machine Design	45	The various components used for the machinery design for example drives like belts and gears and couplings was explained with practical examples.
2.	12.10.13 & 13.10.13	Service	Mr. K. P. Murugan, VP, Maditssia.	Entrepreneurship Awareness Programme	80	A simple step by step procedure in establishing a business / industrial unit was known to the students and they are motivated in establishing a micro unit after graduation. The students understood the importance of starting an industry unit in fulfilling our own objectives and objective of the society needs in providing employment opportunities and also generation of revenue to the government in the form of taxes towards healthier nation.
3.		Service	Mr. Vasirajan, Nodal Officer, KVIC Madurai			The role and importance of finance and marketing was clearly understood by the students. They are aware of various financial schemes offered by KVIC that will help the new entrepreneurs in financing their unit by way of subsidy and

						marketing assistance.
4.		Manufacturing	Mr. K. C. Gurusamy, Managing Partner, Kaycee Pack, Virudhunagar.	Entrepreneurship Awareness Programme	80	The day to day work activities of an entrepreneur towards growth and development of the unit was understood by the students. They are also aware of procedures in compliance of various statutory regulations. The quality of successful entrepreneur and steps involved in expanding the business from micro unit to medium scale unit was known to the students.
5.	12.10.13 & 13.10.13	Service	Mr. Sanakara Narayanan, AGM, NABARD, Madurai			Information regarding various schemes available to young Technocrat in establishing an industrial unit was known to the students. Students are able to prepare a project report for starting an industrial unit.
6.		Consultant	Mr. Gnanasambandhan, Business Consultant, Madurai.			The process of identifying a project to implementation steps were learned by the studies. A case study regarding selection viability of the project was experienced by the students.
7.		Service	Mr. K. N. Subramanian, Manager, Lead Bank, Canara Bank			The concept of lead bank was known to the students. The students are aware of various finance scheme under RBI guidelines in particular schemes available to young technocrat..
8.	12.10.12 & 13.10.12	Manufacturing	Mr.S.Ranjith, Safety Officer, Madura Coats P Ltd, Madurai	Industrial Safety Management	51	Difficulties in entering the confined spaces were explained and methodologies in overcoming the difficulties were also explained.
9.		Manufacturing	Mr.P.S.Balaji, Manager (Safety and Health), FORD India Pvt Ltd, Chennai			All types of fires and firefighting were explained and also the different fire extinguishers and their applications explained.

10.		Manufacturing	Mr.S.Prabhakar, Manager (Safety and Health), FORD India Pvt Ltd, Chennai			Implementation of Safety in a industry is explained. Safety Committees, Machine guarding was explained.
11.		Service	Mr.V.A.Appavu Samraj, Deputy Chief Inspector of Factories, Madurai			Students gained knowledge on various occupational diseases arising out of the work they carry out and their mitigation.
12.	30.08.12	Manufacturing	Mr.S.Pandian Arivudainambi, Manager, Fenner (India) Ltd., Kochadai, Madurai.	Entrepreneurship Awareness for Technical Students	5	The concept of Ancillary unit and its benefit was understood by the participants. The guidelines in starting an ancillary unit to private and public sector undertaking was clearly understood by the students and some of the students considered in establishing an ancillary unit.
