source operating system (Ubuntu) and Open Source Softwares. We provide training on latest technologies such as mysql, php and front end design to meet the industrial requirements. We have various special interest group to impart domain specific knowledge to student consistently.

Facilities
IT Foss Lab, M.P. & M.C. Lab, IT Project Lab, IT Case Tools Lab, IT Wi-Fi Lab

Department of Automobile Engineering
We are proud to state that our institution is one of the few institutions in the state offering four-year degree course in Automobile Engineering from the academic year 1999 - 2000. Automobile Engineering is having wide carrier growth all over the world.

Facilities
Engine Components Lab
Chassis Components Laboratory
Automotive Electrical and Electronics Lab
Vehicle Maintenance / Recondition Lab
Fuels and Lubricants Laboratory
Computer Aided Automotive Design and Drafting Lab

Department of Electronics & Instrumentation Engineering
The Department of Electronics and Instrumentation Engineering was established in the academic year 2001 - 2002 and got into a state of solid consolidation, in the years that followed, with the innovation of technology brilliant and highly sophisticated laboratories.

Facilities
Process Control Laboratory
Transducer Laboratory
Industrial Instrumentation Laboratory
Systems Design Laboratory

Department of Master of Computer Applications
The Department of Master of Computer Applications feels proud that it is recognized as the ‘RESEARCH CENTRE’ of Anna University, Chennai for offering Doctoral Degree.

Facilities
MCA Lab - I, MCA Lab - III, R & D Lab

Department of Management Studies
Department of Management Studies is recognized as Research Centre of Anna University, Chennai to offer Ph.D. Programmes and to carry out industrial research.

Facilities
MBA Lab, R&D Center, Smart Class Rooms

Other Activities
Entrepreneurship Development Cell
We have been conducting Entrepreneurship Awareness Programs and Motivation camps for all final year students to start their own venture and thereby develop employment opportunities. This will benefit not only to the students but the society as well.

National Service Scheme
The National Service Scheme started functioning in the college from academic year 1997-98. Inaugural function took place on 03.12.1997 and our respected Founder President Thiru. K.L.N. Krishnan presided over the function. The strength of NSS volunteers is 150 students. Annual Camps are conducted for 10 days in addition to regular activities like road regulations, awareness programmes, visit to orphanages, etc.

Youth Red Cross
Youth Red Cross is an International Organization for Youths of the age group 18-30 years is steadfast with a desire to bring about a change in the society by inculcating in the youth the attitude of selfless service and making them aware of the social issues which are treated with indifference by many.

Rotaract Club
Rotaract Club is a Rotary - Sponsored Service Club. ROTARACT is ‘ROTARy in - ACTION’. It has evolved quickly in its short but dynamic history. The Rotaract program has grown into a strong, international network of 7,300 clubs in more than 150 countries and geographical areas and our Rotaract club of KLNCE is one among them.

Faculty Development Forum
The Faculty Development Forum (PDF) has been started since 10.07.2004. The Forum creates a platform to interact and share the knowledge among staff members. In this, various Resource Persons from heterogeneous departments both internal and external have taken part.

Cultural and Literary Association
The Cultural and Literary Association (CLA) is formed for encouraging the Staff and Students in order to develop and extend their Extra Curricular Skills and creating a platform to expose their talents.

K.L.N. Melody Fine - Arts Club
This is one of the clubs by which staff and students can develop their singing and playing of music instruments. Students have taken part in various musical competitions and won prizes more. The club has conducted Key-Board Music classes to our staff and students and they have got benefitted.

Non - Conventional Renewable Energy Club
NCRE club develop the students to create the project depend upon the environment related problem in day to day life. Solar Bike and Solar Grass Cutter developed by our students with the help of NCRE Club Members.

K.L.N. College of Engineering is the first self-financing Co-educational Engineering College in Madurai, started in 1994 by Munificence of Philanthropist and well-wishers in Soursathirum Community which is a linguistic minority in Tamilnadu. Our college has the approval of All India Council for Technical Education, New Delhi and is affiliated to Anna University, Chennai. It is built in an area of 53.8 acres.

UG Programmes
B.E. Mechanical Engineering
B.E. Electrical and Electronics Engineering
B.E. Electronics and Communication Engineering
B.E. Computer Science and Engineering
B.Tech. Information Technology
B.E. Automobile Engineering
B.E. Electronics and Instrumentation Engineering

PG Programmes
Master of Business Administration
Master of Computer Applications
M.E. CAD / CAM
M.E. Communication Systems
M.E. Power System Engineering
M.E. Computer Science and Engineering

Departments recognized to act as Research Centre of Anna University, Chennai
Electronics & Communication Engineering
Mechanical Engineering
Master of Computer Applications
Master of Business Administration

Almost all the Under Graduate & Post Graduate Programs are applied for Re-Accreditation to National Board of Accreditation, New Delhi.
Our Achievements

Students' Achievements
T.N. Rajesh Babu & S. Suratha Rajan won 1st Prize award of Rs. 11,000/- for winning BEST DESIGN competition in SIAASTRA'16 conducted by IT-Madras.
Limca Book of Records - S.S. Senthil, L.R. Sriprawanth, L.G. Kannan, S.V. Balaji Names are recorded in Limca book of records for winner of the TGMC08.
CSE students' project ranked among top ten in IBM TGM/C 2011 project contest.
Winners of TGM/C 2008 & 2009 conducted by IBM Academic initiative.
Won the I Prize for the best project ‘SAKTHI’ organized by TNSCST.

Academic Achievements
Percentage of students graduated in First attempt (UG & PG)
Year 2012 : 84.4 % Year 2013 : 93.7 % Year 2010 : 85.4 % Year 2009 : 84.5 %
Our Students are bagging Anna University Examination Rank every year since 2005.
54 Students obtained University Ranks during the year 2011.

Department of Mechanical Engineering
The Department of Mechanical Engineering was started in the year 1994. The Department is offering Master’s Program in CAD / CAM. The Department of Mechanical Engineering feels proud that it is recognized as the “RESEARCH CENTRE” by Anna University, Chennai for offering Doctoral Degree Programs.

Facilities
R & D Lab
Fluid Mechanics and Machinery Lab
Strength of Material Laboratory
Machine Shop
Head and Mass Transfer Lab
Stream Lab
Internal Combustion Engines Lab
Metrology Lab
C A D & C A M Lab
Metalurgy Lab
Instrumentation and Dynamics Lab
Mechanics Lab

Department of Electrical and Electronics Engineering
The Department of Electrical and Electronics Engineering started in the year 1994. Master of Engineering in Power System engineering was started in 2005. The Research and Development section is doing research in Industrial Power Harmonics and mitigation and interact with industries in measuring, recording, analyzing and designing of filters for reducing harmonics with the help of Power Quality analyzer, as per IEEE standard.

Facilities
Electrical Machines Laboratory
Control System, Measurement Instrumentation Laboratory
Power Electronics Laboratory
Electric & Electronic Circuits Laboratory
Power system Simulation Laboratory
Research & Development Laboratory
IEEE Library

Department of Electronics and Communication Engineering
The Department of B.E. Electronics and Communication Engineering was started in the year 1994. The department is recognized as the “Research Centre” by Anna University, Chennai for the candidates to pursue Doctoral Degree Programs. The Department is also offering M.E. Communication Systems.

Facilities
Electronics Lab
Communication System Lab
Microprocessor Lab
VLSI Lab
Communication Lab
Digital Signal Processing Lab
Project Lab

Department of Computer Science and Engineering
We sincerely strive to develop proactive, enterprising students with an intent to learn and eagerness to excel. We emphasize and encourage innovation, creativity, interdependence, positive interdependence, team spirit and productivity in human endeavors.

Facilities
Computer Centre, CSE Laboratory, Project Laboratory Infosys / IBM

Department of Civil Engineering
The Department of Civil Engineering was started in the year 1994. The Department is offering Master’s Program in CAD / CAM. The Department of Civil Engineering feels proud that it is recognized as the “RESEARCH CENTRE” by Anna University, Chennai for offering Doctoral Degree Programs.

M. Niruban - III CSE Secured Gold Medal in AUT Inter Zonal Boxing Tournament (09/10/2011)
R. Venkatesh IY. MCA Secured Gold Medal and secured all fourth place in District Level Best Physique Tournament (70 to 75 Kg) on 02.10.2011 held at Madurai and also he secured the second place in state level weight lifting tournament on 16.10.2011 held at Coimbatore.
A.S. Vignesh Kumar II Y. MCA Secured Fourth Place (70 to 75 Kg) in District Level Best Physique Tournament on 02.10.2011 held at Madurai.

Other Achievements
Research & Development Unit (RDU)
K.L.N. College of Engineering lays a strong emphasis on the sponsored research and industrial interaction. The Research & Development Unit (RDU) was specifically set up in the Institute to provide specialized administrative and managerial support for the operation of Sponsored Projects, Consultancy Jobs and Other related R&D activities.

I.B. CoE:
I.B. plays a significant role in improving the quality of an Engineer through its I.B. software Center of Excellence. I.B. provides software and resource materials to train the staff and students for the programs like DB2, R.A.D, R.F.T, T.D.S and Lotus.
