Observations, comments, suggestions

1. Academic schedule:

- (i) Effective utilization of Google class rooms, Video presentation of course material.
- (ii) Schedule of students development programmes without disturbing academic schedule.

2. Development of more e-content delivery in view of online classes.

3. Third and final year projects based on society needs. Mini projects contests may be conducted regularly.

4. Introduction of objective type questions in CIT's and in end semester examinations, to improve performance in competitive examinations/ GATE/TANCET.

Observations, comments, suggestions

5. Encouragement for NPTEL achievers–staff/students.
6. Outsourcing of trainers providing employment opportunity.
7. Effective class committee meeting, parents meeting students representative meeting with the higher authority.
8. Effective utilization of Alumni meeting-for expert talk /webinar /value added courses/inplant training/internship/placement.
9. Class room ambience and infrastructure development.
10. Time table in incorporating GATE, NPTEL, Spoken tutorial classes, sports, library, counseling, seminar, etc., (one session per week allotted alternatively).
