**Dr. J. RAJESH BABU, President, Alumni Association, K.L.N.C.E**, welcomed the all the members and introduced himself. He reminded the Vision and Mission of the college. He explained about the various Alumni Activities. He informed that the First Batch (1994-1998) of KLNCE students celebrated Silver Jubilee in the month of August 2023, nearly 75 alumni of MECH, EEE and ECE departments participated in the silver jubilee. Second batch students (1995-1999) of KLNCE students celebrated Silver Jubilee in the month of July 2024. Third batch students (1996-2000) of KLNCE students celebrated Silver Jubilee in the month of July 2025. He expressed his appreciation for our alumni's role in developing the new curriculum and syllabus. Their real-world input has been invaluable in creating a more robust and forward-thinking autonomous curriculum. He said that alumni involvement is essential to bridge the gap between Industry requirement and academic curriculum. He asked the alumni to visit our college periodically and to have interaction with the students and faculty members. He requested them to deliver lecture, provide training to the students towards placement and skill enhancement. He also expressed gratitude for the financial assistance provided by the alumni toward the education of underprivileged students. He invited them to continue such collaborative efforts in the years to come.

**Er. K.N.K. KARTHIK – President, K.L.N.C.E**, delivered his address by welcoming the members. He expressed his appreciations for the presence of alumni despite their busy schedule. He informed that KLNCIT alumni will also be invited along with KLNCE alumni for the next alumni meeting. He insisted that Alumni shall be stay connected with the college throughout their life time. He requested Alumni to have consistent contribution towards the development of college. He also briefed the importance of Alumni in developing industry institute partnership. He thanked all the Alumni for their excellent efforts and the outstanding performance towards the development of college.

**Dr. A.V. RAM PRASAD – Principal, K.L.N.C.E,** welcomed the Management members, HODs and Directors, Faculty members, Alumni Association members and Alumni who were present in the meeting. In his address, he informed that around 100 alumni were attending that Alumni meeting and he expressed his sincere thanks to all the Alumni who were present on that day in spite of their busy schedule. He insisted to keep in touch with the college, where they graduated. To explain this, he gave an example that his name is Dr. A.V. Ram Prasad, B.E., M.E., Ph.D., ‘A’ Stands for his Father’s Name. ‘V’ Stands for his Family Name. The UG Degree is B.E., PG Degree is M.E and the Doctorate Degree is Ph.D. ‘B.E.’ it’s just an alphabet. But it gives an identity to the college where the students have graduated. That is in KLNCE. He insisted the Alumni students to remember this.

He reminded that our college has got Autonomous status in the year 2020. He thanked Alumni for their contribution as members of BOS and Academic Council. He also elaborated the commitment of Alumni in designing the curriculum and syllabus as per the requirement of the industry. He added that the autonomous regulations have been revised and the new regulation R2024 has been framed. The inputs from the Alumni are highly valuable in framing the new curriculum and syllabus for R2024 regulations. He informed that new programmes, Artificial Intelligence and Data Science, Computer Science with the specialization in Cyber Security, Internet of Things were started in KLNCE. The Alumni has suggested many points to enrich the curriculum and syllabus of these emerging programmes. He also informed that our college has planned to start new programme related to emerging area like VLSI. He asked Alumni to provide their valuable suggestions and guidance in framing the curriculum and syllabus of these new programmes, if started in future. In view of this, he asked the Alumni to contact ECE faculty members to provide their valuable suggestions and the details of the contents to be included in the curriculum and syllabus. He informed that our college is having privilege to support the Alumni who are interested to begin start-ups by providing venue in our college campus. He also informed that in future Alumni meeting will be conducted for both KLNCE and KLNCIT alumni on the same day at the same venue so that many KLNCE Students will be benefited.

He concluded his speech by thanking all alumni and their family members who were present in the meeting.

**Dr. S. PARTHASARATHY, Secretary, Alumni Association, K.L.N.C.E,** presented the Alumni Report for the academic year (2024-2025). In the report, the following points were highlighted.

Many events were graced by Alumni as chief guest and 16 alumni had been invited as resource persons, around 85 alumni visited the campus and interacted with the faculty members and students. Alumni have delivered 45 guest lectures and 11 competency programmes were conducted. Alumni also contributed in terms of placement and internship. 13 students got the placement offer and 48 students got the internship opportunity through Alumni. He also added that 6 industrial visits for students had been arranged by Alumni.

He briefed about the activities of KLN Innovation Research Park and the various club activities carried out in our college. He also informed that one of our alumni had sponsored to establish AI lab in our college. He asked the alumni to interact with the students of their departments through on line mode. He said that alumni conducting many programmes

through departments so as to help the students for getting placements. Our Alumni Mr. Baskaran working in TCS has interacted with the students by raising questions and gave a cash price of Rs 10,000 to students who gave correct answer. He is happy to inform that our Alumni are financially supporting the selected needy students by paying tuition fees and book fees. He requested Alumni to continuously support the students technically and financially.

#### INTERACTION WITH ALUMNI

- **Dr. Vishnu – EEE 2006 Batch.** He requested UG/PG students to publish papers in Journal. He informed that he will donate Rs.5000/- as cash price for the students who publish the papers in Scopus Indexed and SCI Journals.
